Ushers are needed 45 minutes prior to curtain but would not be needed once the show starts so you could purchase tickets as you have already planned. Dress = all black

Additionally, we are in need of backstage cast supervision help for all three performances as well as the dress rehearsal (March 28). Backstage supervisors would be needed at cast call for the dress rehearsal as well as the performances and would not be able to watch the show so please plan accordingly. Dress = all black.
